Early Years

We have had a great week in the Early Years Department. The children are settling in well and getting used to the routine of school. Thank you for your support in ensuring they come to school each day in the correct uniform. They look really smart! A reminder that all uniform should be labelled clearly and that hair bobbles/bands are regulation colours (green, navy or black).

Many thanks

Ever wondered what a Marketing Department of a school actually does? We could answer with some impressive technical jargon, or make it very simple.

We SHOUT FROM THE ROOFTOPS how great we are! And why wouldn't we?

Rockport is a very unique place, we all know that. We have great kids who on a daily basis surprise and inspire us, a dedicated staff team who go beyond their job description without being asked and supportive parents who (and if we don't say it enough), we very much appreciate.

People use different types of social media to stay connected so please join us on any of the below. We are everywhere 😊

The children say it's 'all about the followers' but the old cliché is true, it's quality over quantity and as our social media presence grows, we're delighted to see that it's growing with current parents, prospective parents and people who are genuinely interested in seeing what we're all about at Rockport!

So we want to say THANKS for the support so far and if you haven't already – give us a like!
