

## GCSE Results 2020

Our Rockport pupils' results are testament to their hard work and dedication this year. Every pupil persevered through challenging circumstances and achieved brilliant results.

GCSE results for 2020 saw our students achieving a pass rate of 96.4%, with top grades of A\*-A awarded to 29.5% of students.

Deputy Head, Mrs Rhonda D. Palmer, said;

"Another week of results and another opportunity for me to say how proud we are of each and every one of our students who received results.

For our returning students, brand new students and for those embarking on a new path, it certainly is an exciting time ahead.

We look forward to beginning the term in September."
